chemicals used to deal with pests and diseases. This ensures that those chemicals used are effective and environmental friendly.

**Mr. Speaker, Sir,** in view of the above, I would like the Chairperson on Agriculture, Livestock & Fisheries Committee to furnish this House with the following information;

1. Does the department have these crop protection officers?
2. If yes, why are they not offering technical expertise support to the affected tomato and banana farmers especially in Taveta?
3. If no, what is the department doing to ensure that the County has these crop protection officers?
4. What criteria is being used by the agriculture extension officers to deal with such challenges without the aid of crop protection officers?
