#### MEMORANDUM OF OBJECTS AND REASONS

Article 210 of the Constitution provides for the imposition and conditions for the waiver of taxes.

This Bill proposes to give further effect to the principles and stipulations set out in the Constitution by providing for the conditions of the administration of tax waivers.

This Bill provides that the executive committee member responsible for finance may, where he or she deems appropriate, and with the concurrence of the Governor, in writing, waive the payment of any tax, fees or other payment due to the county government.

The power of the executive committee member to waive tax shall be exercisable, in every transaction, or generally, with the written approval of the Governor, but in any case, only on the following circumstances-

- d) where the waiver is for the purposes of encouraging defaulting tax payer to pay such amount as may enable the county

government recover part of the amount owing from the defaulting payer;

- e) where, in the opinion of the county executive committee member, there exist such compelling circumstances that make it equitable, expedient and in the interest of the financial advantage to the county that the waiver be made.

**A statement of delegation of legislative powers**

The Bill proposes the delegation of legislative powers to the executive committee member responsible for finance. These powers extend only to the prescription of the procedures and timelines for applications for waivers. The powers of the committee member are exercisable with the concurrence of the Governor. This is to enhance accountability.

The enactment of this Bill into law shall not occasion additional expenditure of public funds.
