MEMORANDUM OF OBJECTS AND REASONS

The Constitution mandates and empowers the county governments with the responsibility of liquor licensing. The national legislation, namely the Alcoholic Drinks Control Act gives this function to the National Campaign Against Drug Abuse Authority.

The purpose of this Bill is to ensure that the function of liquor licensing is immediately and effectively implemented at the county level and that mechanisms are provided for this in county legislation.

The national government is empowered to make legislation that has the following qualities that will apply and override county legislation if the following conditions exist—

- (a) the national legislation provides for a matter that cannot be regulated effectively by legislation enacted by the individual counties;
- (b) the national legislation provides for a matter that, to be dealt with effectively, requires uniformity across the nation, and the national legislation provides that uniformity by establishing—
 - i. norms and standards; or
 - ii. national policies; or
- (c) the national legislation is necessary for—
 - i. the maintenance of national security;
 - ii. the maintenance of economic unity;
 - iii. the protection of the common market in respect of the mobility of goods, services, capital and labour;
 - iv. the promotion of economic activities across county boundaries;
 - v. the promotion of equal opportunity or equal access to government services; or
 - vi. the protection of the environment.

The conditions set out above have been reviewed and they would apply to the following extent—

- (a) control of drinking hours;
- (b) security considerations;
- (c) levels of alcohol content;

The county government is at liberty to establish its own institutions that will manage the licensing of liquor trade. These institutions should be able to implement the national government policy on the control of alcoholic drinks.

The Bill also provides for collaboration between the two governments on this issue especially on enforcement.

This Bill provides for the County Alcoholic Drinks Licensing and Control Board to be chaired by a person appointed by the Governor.

The other members will be drawn from various departments of the national and county governments.

The Sub-county Alcoholic Drinks Control and Licensing committees shall be responsible for licensing at the sub-county level.

The enactment of this Bill shall entail expenditure of county public funds to be provided for in the estimates.
