**NOTICES OF MOTION**

1. **NOTICE OF MOTION: ADOPTION OF THE REPORT OF THE SELECT COMMITTEE ON COUNTY BUDGET, FINANCE & APPROPRIATIONS ON THE CONSIDERATION OF THE TAITA TAVETA COUNTY SUPPLEMENTARY I ESTIMATES FOR FY 2024-2025**  
(Hon. Jimmy Mwamidi, MCA, Wundanyi/Mbale Ward, Chairperson, Committee on Budget, Finance & Appropriations)

**THAT**, this Third County Assembly adopts the report of the Select Committee on County Budget, Finance & Appropriations on the consideration of the Taita Taveta County Supplementary I Estimates for Financial Year 2024-2025, laid on the table of this House on Tuesday 26<sup>th</sup> November, 2024, **Morning Sitting No.095** and its recommendations thereof.

2. **NOTICE OF MOTION: ESTABLISHMENT OF A COUNTY AGRICULTURE INFORMATION MANAGEMENT SYSTEM** (Hon. Duncan Wangama, MCA, Wusi/Kishamba Ward, Chairperson, Health & Sanitation Services Committee)

**THAT**, aware that Taita Taveta County largely depends on Agriculture as a major economic activity and that various forms of agriculture are practiced in different parts of the County;

**APPRECIATING THAT**, crop and animal husbandry is a devolved function under **Part II of the Fourth Schedule** of the Constitution of Kenya, 2010;

**NOTING THAT**, most households depend on small- scale agricultural ventures for their livelihoods and that the County Government, for a long time, HAS NOT invested in Integrated Information Management System in Agricultural Sector especially in monitoring agricultural activities;

**COGNIZANT THAT**, most small-scale farmers market their produce either through cooperatives, middlemen or directly to consumers thus making it difficult to obtain accurate data on the Average agricultural produce in the County;

**CONCERNED THAT**, lack of high-quality data in the agricultural sector hinders both advocacy and policy analysis efforts aimed at informing actions to support agriculture;

**NOW THEREFORE**, this House urges the County Executive Committee Member for Agriculture, Livestock and Fisheries to engage the relevant stakeholders including Cooperative Societies and Agricultural Extension Officers and come up with integrated Agriculture Information Management System to improve agriculture in the County.
